UKMT Maths Competitions 2025/26

Dear Parents,

Following a very successful year for our students across a wide range of United Kingdom Mathematics Trust (UKMT) competitions, we are excited to share the following UKMT competitions which are available for students to take part in over the coming academic year.

The fee listed for each competition will cover exam administration, grading, access to past papers, and certificates. Closer to each competition, we will send letters home to the relevant year groups with more details, including the registration procedures.

We encourage strong mathematicians from across the school to enter these competitions. However, students are warned that the UKMT competitions are very demanding, particularly the Olympiad competitions.

Please note that since the Junior Maths Challenge falls within a school holiday, we are unable to facilitate this competition in school. This competition will therefore be online-based, with students taking part from home, for those who still wish to participate.

Competition	Date	Student Eligibility	Fee
Senior Mathematical Challenge	10th October 2025	Year 11-13	720,000 VND
British Mathematical Olympiad Round 1	20th November 2025	Year 11-13	2,700,000 VND
British Mathematical Olympiad Round 2	22nd January 2026	Year 11-13	2,700,000 VND
Intermediate Mathematical Challenge	29th January 2026	Year 9-11	720,000 VND
Cayley/Hamilton/ Maclaurin Mathematical Olympiads	20th March 2026	Year 9-11	2,250,000 VND
Junior Mathematical Challenge	30th April 2026	Year 7-8	720,000 VND
Junior Mathematical Olympiad	10th June 2026	Year 7-8	2,250,000 VND

Please do not hesitate to contact me should you have any questions.

Yours sincerely,

William Sawtell
Teacher of Mathematics
