What will happen now?

- You will now accompany your child as they leave with their class teacher and ask any questions you may have.
- Before you leave today, please make sure you know your child's lunch and bus arrangements for Monday. Our office team will be happy to help if you are unsure.
- On Monday morning, most children will play on the playground when they arrive and then be taken up to their classes by their teachers at 8:20. Pre-Nursery and Nursery will be dropped off in the soft play room.
- Each year group will invite you in for a coffee morning over the next few weeks, where teachers will share more information about the year group and exciting things that will be happening throughout the year. We hope to see many of you there.
- Your first individual Parent-Teacher Meeting will take place on Friday, 6th November. We will share further details during Term 1. If you have any questions or would like to discuss anything before then, you are always welcome to contact your child's teacher by email.
