YEAR 2 PSHE TOPIC - GROWING UP

Dear Parents,

As part of the Year 2 PSHE curriculum, we will be teaching a unit titled *"Growing Up"*, beginning next week.

We would like to inform you that this unit will include the following areas of learning:

- The use of correct scientific vocabulary to name male and female body parts, including genitals, penis, testicles, vulva and vagina
- Understanding that some parts of the body are private, and the importance of respecting both their own and others' privacy
- Learning how to respond if physical contact makes them feel uncomfortable, and how to keep themselves safe

This learning forms an important foundation to support pupils' understanding of their bodies, personal boundaries, and wellbeing as they grow and develop.

If you have any questions or concerns, please do not hesitate to contact your child's class teacher.

Yours faithfully,

Mr Jake
Head of Year 2
