# International FAMILY DAY

Mr Steve | PRINCIPAL

Dear ABCIS Community,

The **2026 ABCIS International Family Day** was a fantastic community event, raising nearly **300,000,000 VND** so far.

Once again, the event brought together our entire community for a morning full of energy, enjoyment and purpose. With **over 40 activities** and **more than 30 stalls**, including **over 20 parent and business stalls**, there was a wonderful atmosphere throughout the school.

The **international food stalls** were a particular highlight, proving extremely popular with families and offering a wide range of dishes from across the world. These stalls, run by our parents, played a key role in both celebrating our diverse community and contributing to the overall fundraising total.

I would like to extend my sincere thanks to all parents and businesses who supported the event, whether through **running stalls, making donations or contributing their time**. Your generosity and commitment are what make events like this possible.

The **raffle was a fantastic finale**, featuring a wide range of prizes made possible through both **donated items** and prizes purchased using **monetary contributions from parents**. This combined effort ensured a high-quality raffle that was enjoyed by all.

All funds raised will go directly towards **local charities and charitable causes**, making a meaningful difference beyond our school community.

The list of people who contributed to this year's event is extensive, so please take the time to read the following supplement and recognise the many individuals and organisations who helped make the day such a success.
