Friday, 21st August 2026

Dear Parents,

Welcome to the start of a new academic year. We are truly excited to get the year underway and have thoroughly enjoyed welcoming all of our students, both returning and new, back to school. It has been wonderful seeing our campus come back to life and watching students reconnect with their friends and teachers.

Looking back to last year, I would like to congratulate the Class of 2026 on their outstanding examination results. An exceptional 33% of all grades were A*, and 61% were awarded either an A or A*. These metrics are incredibly impressive and mean our students have progressed to study at some of the world's leading institutions.

We are still finalising university destinations; however, highlights already include confirmed places at the London School of Economics (LSE), University College London (UCL), and The University of Edinburgh, to name but a few. We will continue to update you as further destinations are confirmed for our most recent alumni. We are incredibly proud of them all.

This week, we also received an outstanding set of IGCSE results for our new Year 12 cohort. This group of students have worked exceptionally hard alongside their teachers to deliver results that we are all proud of: 39% of all grades were A*, and 67% were either A* or A. These outcomes provide our Key Stage 5 students with a fantastic platform for success as they embark on their A Level courses.

Additionally, 23 of our Year 10 students sat their Mathematics IGCSE last term, with every single student achieving a grade A*; a remarkable accomplishment.

I would like to introduce the newest members of the teaching staff who have joined us this academic year:

- **Mr Jared** (Mathematics)
- **Mr Matthew** (Biology)
- **Ms Liz** (Biology)
- **Ms Cici** (Mandarin Chinese)
- **Ms Hannah** (Assistant Headteacher – Key Stage 5 & Enrichment)
- **Ms Mei** (Chemistry)
- **Mr Scott** (Business & Economics)
- **Ms Sara** (Chemistry)

We are delighted to welcome them to The ABCIS. Our new staff arrived early to acclimatise to Vietnam and settle into our school community.

As we begin another academic year, I look forward to continuing to work closely with our parent body and welcoming our new families into the community. I will soon be inviting volunteers to join our Parent Advisory Group; if you are interested in taking part, please look out for further communication in the coming weeks.

We have a busy and fulfilling term ahead. You can view our full calendar of events [here](#), and I encourage you to follow our official social media channels, including our newly launched TikTok page [here](#).

Lastly, I look forward to working in partnership with you to make this an exciting, productive, and memorable year for your children. As always, please do not hesitate to get in contact should you need any further information or wish to discuss your child's education.

Yours sincerely,

Joe Tracy
Head of Secondary
